

Summer at "Südtiroler Gasthaus"

Pure freshness is in our nature and the members of the Südtiroler Gasthaus group together with the Sennereiv-erband Südtirol would like to bring you closer to pure freshness with this year's summer freshness theme "Milk and more".

Enjoy vegetarian delicacies prepared from South Tyrolean milk and dairy products, ranging from yoghurt to mozzarella and a wide variety of cheeses, from **Friday 21 June to Sunday 28 July**.

We look forward to hearing from you!

South Tyrolean Inn beer "insriGs"

In keeping with the summer dishes, the innkeepers of the Südtiroler Gasthaus group serve a beer specially brewed for this occasion, the "insriGs" - a strong, full-bodied march from the "Batzen Bräu" brewery.
